foreword...

Recognizing fifty years of development as John B. Stetson University, the staff of the 1939 Hatter has designed this book as a tribute to their alma mater.

Beginning its history as DeLand Academy in 1883, the school was enlarged two years later to include a college. In 1889, at the suggestion of the founder, Mr. Henry A. DeLand, the institution was chartered as John B. Stetson University in recognition of Mr. Stetson's gifts.

Fifty years have elapsed since Stetson's inception. Now it is our aim to show the Stetson of today — a university contemporaneous and compatible with modern achievement as reflected in this year's world exposition.

the president's message

Stetson continues to go forward. The session 1938-39 has been outstanding in a number of ways. Scholarship has exceeded previous years. The enrollment is the highest in the Institution's history. Students have shown unusually deep interest in the Forum lectures, in debate, in literary activities, in student government, in the finest music, in dramatics, in religious services. The great scholarly Faculty has given its best to make the University finer. Thus the year has been one of marked success.

The ideals of Stetson, from its founding, have been scholarship, culture, Christian character. The ideals are the same today. As the University continues to grow it must ever be so. Stetson will thus ever be distinctive in its contribution to civilization.

Sincerely, William Sims Allen, President

was established with a two-year course of study in 1900, and increased in 1923 to a three-year course. It is now a member of the Association of American Law Schools and is fully accredited by the American Bar Association. Several new features have been added to the work of the College of Law this past year; the Legal Aid Clinic and the Law Club competitions being of especial value.

The student body of the College of Law has organized itself into the Stetson Student Bar Association for the primary purpose of self-government. Their outstanding achievement of the year has been the adoption of the "honor" system.

Graduates of the Stetson College of Law are to be found among the outstanding men of the state and the nation. Some of the distinguished positions they hold and have held include: Circuit Court Judge, U. S. District Court Judge, County Judge, Governor, Foreign Minister, U. S. Congressman, Florida Supreme Court Judge, and District Attorney.

has been distinguished through its achievements during the past year. In addition to finished faculty and student recitals, the school has presented radio programs and concerts by the band, glee club, and symphony orchestra. Following an established tradition, Hondel's "Messiah" was presented during the Christmas season, while later in the year "The Chocolate Soldier" illustrated the blended efforts of all groups within the music department.

Numerous state and district contests were sponsored by the school, faculty members were elected to prominent posts in state and national music organizations, and DeLand's most outstanding citizen was chosen from its faculty group.

the season

STETSON 16--FLORIDA 14, AT GAINESVILLE * *

September 24 will go down in Stetson's history as the most important day of 1938. It is the day that a determined squad of Hatters, who were conceded absolutely no chance to win, journied to Gainesville and defeated the highly rated Florida Gators to give Stetson its first victory over Florida in 29 years. This was a team victory. Coaches Cowell and Freeman and every man on the Hatter squad worked together in perfect harmony to make the win possible. Led by their 17 seniors who had twice met defeat at the hands of the Gators, the Hatters were sparked with the idea that they could not lose. It was actual proof of the old adage that a team that won't be beat can't be beat. It was a game in which every man was an individual star, working with his team-mates to achieve that which meant most to him—a victory over the University of Florida.

Stetson 0-Rollins 18, at Home

The Hatters, bruised and weary from the Florida battle, fell before the fast, clever Rollins Tars. Led by Daughtery and Justice, the Tars outplayed the Hatters in every department of the game, scoring in each of the last three quarters. Rollins capitalized on two Stetson fumbles for their first two touchdowns and intercepted a wild Hatter pass in the waning minutes of the game for their third score.

Stetson 28—South Georgia Teachers 0, at Home

Staging a complete reversal of form, the Hatters ran at will over the light Georgians gaining 375 yards for 22 first downs while holding the Teachers to 38 yards and 3 first downs. Hardy carried the pigskin for three of the Hatter scores and Willie Anderson's educated toe added the extra point after each touchdown. Schaefer played his usual brilliant game at end.

Stetson 7-Wofford 6, at Spartansburg, S. C.

On the third play of the game, Hilton of Wofford sped around end for the longest run of the year against the Hatters, a 69 yard touchdown jaunt. Wofford grimly retained their lead until the Hatters drove for a touchdown and an extra point in the third quarter to gain the ascendancy. The final quarter was all Stetson with the Hatters driving toward another touchdown when the game ended.

Stetson 33-Erskine 14, at Home

Stetson, eager to avenge an upset defeat handed them by the Seceders last year, started things off with a bang when Warren broke loose on the first play for a 70 yard run. The Hatters showed a fine passing attack, as well as a good ground game, with Warren and Lowery throwing and Swanson and McClelland doing the receiving. Cotton starred for Erskine, catching a 20 yard pass and running the remaining 60 yards for a touchdown.

Stetson 42—Tampa O, at Tampa

Keyed to top form, the Hatters gave Tampa the worst trouncing in their history, making 6 touchdowns and 6 extra points. It made no difference who was in the game, the Hatters still continued to score, making it a complete field day. Every man saw action and contributed to the victory. It was a great day for the Green and White.

Stetson 13-Oglethorpe 7, Hamecoming

Outplayed by a strong Oglethorpe team during the first half, the Hatters came back after the intermission to score twice and make 1938 a perfect Homecoming. Both teams bogged down by the boiling sun, Stetson took to the air for both her scores, with Cobb and Parmley each taking passes for touchdowns. Captain Frison, Butler, and Mason stood out in the Hatter line.

Stetson 6-Presbyterian 7, at Daytona Beach

Swept off their feet by the fast-charging Blue Stockings, the Hatters went down to their second defeat of the season. Trailing 7 to 0 in the fourth quarter, Stetson rallied, and, under Darst's leadership, marched to within striking distance of the goal, where Warren took o loteral for the score. The opportunity to tie was lost when the kick went wide.

Stetson 6-Rollins 6, at Orlando

Out to redeem their previous defeat by the Tars, the Hatters battled themselves into a 6 to 0 lead, only to see Rollins score in the closing minutes to turn victory into a tie. Warren broke loose around end for the Hatter score in the second period, while Daughtery crashed over for the Tar's tieing tally. The line play of Vann, Kirkland, and Minehart stood out for the Hatters in this closing game of a thrilling season.

basketball=

the season

Stetson's basketball team, captained by Skeet Cobb, enjoyed a fine season, winning 14 and losing 7 games during the season's play. Coach Freeman's legal business forced him to leave in mid-season, but Coach Cowell took over and continued Freeman's fine record.

Stetson 15—North Carolina State 25 Stetson 20—Wofford 21

Stetson 31-Wofford 33

Stetson 32-Newberry 26 Stetson 27—Newberry 23

Although leading 12 to 11 at the half, the Hatters could not penetrate the tight Tarheel defense in the second period and fell before the strong Southern conference team. Kirkland led Stetson with 10 points.

Then, failing to find the range of the basket, Stetson's hoopsters dropped two games to Wofford. In both games the lead changed continually with the final result uncertain until the end.

Stetson broke into the win column by taking two games from the Newberry Indians, a large team which was no match for the more aggressive Hatters.

Stetson 44—Union 40 Stetson 49---Union 41 Stetson 29—Florida 32 Stetson 26—Florida 28

With Minehart leading the way with 14 points in the first game, and with Swanson flipping 16 the second night, the Hatters took two smooth games from the strong Union team of Kentucky.

Dame Fortune looked the other way as Stetson lost two hair-raisers to Florida. Zandzukis took matters in his own hands, scoring 15 points in the first game for the Gators. The second game at Gainesville was nip and tuck all the way, Florida scoring the winning basket in the last seconds of play.

Stetson 47—Havana 21 Stetson 48—Havana 35 Stetson 49-Florida Southern 23 Stetson 37-Florida Southern 30

Stetson coasted to two easy victories over a fast but erratic Cuba team. The invaders were unable to match the superior team play of the more experienced Hatters. Scoring at will on Southern in their first encounter, the Hatters found a greatly improved Southern club in their second meeting. Southern jumped into an early lead, but the Hatters passed them just before the half and retained their lead until the end.

Stetson 50-Rollins 25 Stetson 54-Rollins 25 Stetson 42—Erskine 25 Stetson 52—Erskine 37

Led by Swanson with 14 points in the first game, and by Captain Cobb with 13 points in the second. Stetson proceeded to double the score in both encounters with the Tars. Showing their best form of the season, Stetson's basketeers trounced Erskine in both games held in Hulley gym. Erskine, one of the leading South Carolina teams, just wasn't a match for the Green and White.

Stetson 29—Erskine 33 Stetson 34—Presbyterion 28 Stetson 42—Newberry 36 Stetson 29—Newberry 29

The Hatters split even on their road trip, winning and losing two. Coppola of Newberry and McDonald of Erskine were the deciding factors in the games the Hatters lost. Swanson was the big gun of the Stetson attack, making 43 points in three games.

Stetson 23—Louisiana Normal 32

Matched against the seeded Louisiana Teachers in the annual S.I.A.A. Conference tournament, the Hatters fell before fast and accurate playing. Kirkland scored 11 points to lead the Hatters.

baseball=

the season

Stetson's Independent baseball team, coached by Doc Jahnson and captained by Jack Gore turned out to be giant killers by defeating some of the finest college baseball teams in the South. Playing with practically no practice, the Hatters defeated Florida, Georgia, Havana, and Raiford, with Tampa and Rollins yet to be played. Prospects look bright for an even better season next year with several promising freshmen eligible to meet conference foes, offsetting the loss of Warren, Clonts, and Gore.

Negotiations are already under way to meet some of the finest teams in the country next year, including Michigan State, Notre Dame, Auburn, Duke, and Vanderbilt. It is the hope of the team that baseball will be a varsity sport and that there will be a baseball diamond on Hulley field.

tennis=

the season

Led by Captain Billy Dovis, Stetson's young and inexperienced tennis team undertook the most difficult schedule yet slated for the Hatter racket-wielders. Playing such fine teams as Furman, Georgia, Florida, Mississippi, Clemson, Rollins, and Wofford, the Stetson netmen lost a majority of their matches, but gained much experience for next season. With every man back for competition next year, the Hatters are looking forward to a fine season in 1940.

frosh football

the season

The Hatter freshmen, coached by Emmett Clonts, won and lost two games, splitting their four-game schedule. Playing the Rollins frosh twice, the Baby Hatters dropped their first game 7 to 6, but came back to trounce the young Tars 13 to 0 in their second encounter. The Stetson frosh were overwhelmed 38 to 0 after traveling to Miami to meet the large and numerous Baby Hurricanes. They ended their season with a victory against the Daytona Beach Hi Hats, 14 to 0, in Daytona Beach. Some fine material was uncovered which is expected to be a great aid to the varsity club next fall.

Coached by Brady Cowell, the freshmen went through a fine season, winning seven games against only two defeats. Twice the Baby Hatters defeated Daytona Beach, state high school champions, in hard, close games. Other victims of the Stetson freshmen were West Palm Beach Junior College and four independent teams. They lost close games to St. Petersburg Junior College and Sparks Theaters of Daytona Beach. Many of these freshmen are expected to win berths on the varsity squad next year.

"S" CLUB

Since it was founded in 1936, the "S" Club has had as its purpose the development of sportsmanship and the promotion of athletic achievement in the University.

Membership is restricted to men winning varsity letters, and all of these men are devoted to the high scholastic and athletic ideals of their organization.

The Women's Athletic Association is an organization for all University women. Its purpose is the promotion of sports and the development of fellowship in social contacts.

Among its activities are the sponsorship of the intramural league and of high school and collegiate play days. Outstanding events of the W.A.A. year are the Rollins-Stetson play days, All-State Sports Day, and the Water Carnival. Individual interest in athletics is promoted through the awarding of letters to all women earning sufficient points. Chief long-term project of the W.A.A. is still the erection of a swimming pool, and toward this end the organization sponsored Stetson's first "Artists and Models" musical revue.

FRESHMAN ADVISERS

In May, 1938, the plan of Freshman Advisers was instituted by the Dean of Women. Thirty-two Stetson women were selected on the basis of qualities of leadership to assist in making and carrying out Freshman Week Program. They made possible a more effective Guidance Program for freshman women throughout the year and created a finer spirit of cooperation.
